

Sequence Listing

10	proton exchange membrane
12	catalyst
14	gas diffusion layer
16	anode plate
18	cathode plate
20	bipolar plate
22	gas channels
30	oxygen supply system
32	filter
34	blower
36	water recuperator
38	cooling system
40	hydrogen source
42	pressure regulator
44	hydrogen pump
46	humidifier
50	fuel cell
60	anode gas supply
62	switch
64	pressure regulating device
70	diaphragm pump
72	check valve
74	check valve
76	wall

80	fuel cell
82	anode gas input
84	anode gas output
90	piston
92	diaphragm
94	spring
96	opening
102	space
104	space
106	Hall effect sensor
108	Hall effect sensor
110	magnetic member
122	reservoir
124	radiator
126	check valve
128	check valve
